To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 03/12/2024 and 04/02/2024.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>

5	<u>Mandatory Condition #3:</u> You shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release on supervision and to a maximum of 5 periodic drug tests a month thereafter for the term of supervision as directed by the probation officer. The cost to be paid by both the defendant and the government based upon the defendant's ability to pay.

Supporting Evidence: It alleged that Ms. Turner violated the conditions of her supervised release by using amphetamines on or about June 17, 2024.

On June 17, 2024, Ms. Turner reported to the U.S. Probation Office as directed and provided a urinalysis that tested presumptive positive for methamphetamine and amphetamines. Ms. Turner denied using any illicit substances and the sample was sent for confirmation. On June 26, 2024, the urinalysis returned positive for amphetamines. On June 26, 2024, Ms. Turner again denied using any illicit substance. Ms. Turner has opined that on June 16, 2024, she had an allergic reaction in which she used her Epipen and subsequently used Benadryl as a possible explanation for this positive test.
